Task 6– Parking

At the back off Crossley Street we provide a paid parking area. Parking is charged at $5 a car. All lanes are marked and we encourage efficient parking in this area. Staff and vendors park to the right of the back gate inside the fenced area and do not use up "public" parking areas. There is also corporate sponsors and Disability parking on the A & P grounds which has no charge.

Tasks

1. The back gate at Crossley Street is open from 7am when vendors come in to set up. Those working may also come in to park inside the fenced area to the right of the grounds. At this time only need someone to ensure that cars entering are not public. The gate is closed to vendors from 11am and open to public. Public pay $5 to park in this area. Marshalls direct cars to parking areas within the marked lines ensuring appropriate gaps and efficient parking.
2. Parking is provided at the A & P grounds for sponsor and disability marking. Two marshalls are needed to ensure only sponsor and disability holders cars are parking there from 11 am to approximately 3pm.
